Shape the Future of Finance with Us

What sets us apart drives us ahead: we're tradition and future, foundation of growth, local roots and global relevance. We value bright minds and inspire them to grow with their ideas.

SIX drives the transformation of financial markets. SIX Global Business Solutions operates since 2017 in Poland and supports SIX globally in developing infrastructure services for the Swiss and Spanish stock exchanges, for post-trade services, banking services and financial information with the aim of raising efficiency, quality, and innovative capacity across the entire value chain of the Swiss and Spanish financial centers.

We combine Swiss working culture with attractive job opportunities in the world of finance and IT, and offer you a wide range of opportunities in the center of Warsaw in a modern office space close to Rondo Daszyńskiego..

Please regularly check our vacancies which open up throughout the year.
